

# THE PENTACLE CLUB

## Library books for members to borrow

If you would like to borrow a book from this list, please contact the Pentacle Club Librarian Jeremy Bond. Talk to him at a meeting, phone 07796 075644 or email [jezo@jezo.co.uk](mailto:jezo@jezo.co.uk).

| AUTHOR                            | TITLE                              | PENTACLE COMMENT   |
|-----------------------------------|------------------------------------|--|
| Annemann, Theodore                | Practical Mental Effects           | One of the classic works on mentalism.   |
| Bobo, JB                          | Modern Coin Magic                  | This is <i>the</i> book for anyone interested in coin magic.   |
| Clive, Paul                       | Card Tricks without Skill          | A really good book for the beginner, with some excellent tricks.   |
| Ganson, Lewis                     | The Art of Close-up Magic Volume 1 | A good resource for both beginners and working magicians.  |
| Hugard, Jean and Braue, Frederick | The Royal Road to Card Magic       | Great for beginners and the more experienced.  |
| Hugard, Jean                      | Encyclopedia of Card Tricks        | Great for beginners and the more experienced.  |
| Hugard, Jean and Braue, Frederick | Expert Card Technique              | This is a good next stage onwards from The Royal Road to Card Magic.   |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 1 | Volume 1 of an excellent series, all of which are worth reading by newcomers and experienced magicians. This volume is mainly magic with small items (cards, rope, etc) suitable for close-up, cabaret and stage.                  |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 2 | Lots more magic including some simple illusions.   |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 3 | Still more magic and a section on how to make people laugh.  |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 4 | Plenty more magic including the Chinese Linking Rings.   |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 5 | A wide range of magic including tricks requiring more elaborate apparatus.   |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 6 | Lots of magic with a large section on stage magic.   |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 7 | More magic from cards to large illusions.  |
| Tarbell, Harlan                   | The Tarbell Course in Magic Vol. 8 | Still more general magic.  |
| Wilson, Mark                      | Mark Wilson Course in Magic        | A large book suitable for beginners and the more experienced. It covers a wide range of magic including cards, rope, impromptu, mental and general magic. There are also a few illusions, some requiring no complicated apparatus. |
